

## **"Sponsor a Player(s)" Program - Private**

In perfect scenario, people who have desire to play, racquet skills, energy, time, money and are injury free are already part of our event (all it takes is to fill out the entry form), however there is only handful of them. To make this tournament a success and benefit lots of charities we need more participants.

We truly believe that in order to take part in anything, all it takes is true desire - the rest will come with willingness to learn, time and persistence. However there is combination of different people out there who are suitable players for our tournament, but besides not being aware of this event, for whatever reason they think that something stands on their way to have this wonderful experience. Well, let's take a closer look at some of them.

Some people may have a desire to play but they think they do not possess adequate racquet skills. Some, on the other hand do have racquet skills but they think they don't have a time. Others have a plenty of time but don't have the energy or are injured, while another group may have all the attributes but they think they are limited by money. Do you get my drift?

We understand there might be some challenges (either real or imaginary) that you need to overcome to make things happen. It may not be always easy, but it's rewarding, like in the words of Moliere: "The bigger the obstacle, the more glory in overcoming it". We believe, if there is a will, there is a way. So it's all boils down to the question: Do you really want to play? If you really do, you'll find a way to be there and we love to have you play.

**"Sponsor a Player(s)/Team" Program** is designed to help people find one of those ways and eliminate another roadblock to being part of this great event. It's a temporary solution for players who would love to play in our tournament, but for whatever reason they feel they can not donate any money to a charity at this time. With this program we'll match them up with private donors who either donated already or planning to donate soon, but are not playing in our tournament. These players will be playing to support their sponsors' cause and if they win, all prize money and other gifts they will receive will be donated back to sponsor's charity.

If you are a player who would like to pick this option, you are agreeing to the above by checking appropriate box on the PLAYER application form.

If you would like to sponsor a player(s) please contact us either by e-mail ([charities@racquethlon.net](mailto:charities@racquethlon.net)) or fax 1-403-240-0189.
